## **Orgasm Inc.**

**The Strange Science of Sexual  
Pleasure**

“In the shocking and hilarious documentary *ORGASM INC.*, filmmaker Liz Canner takes a job editing erotic videos for a drug trial for a pharmaceutical company. Her employer is developing what they hope will be the first Viagra drug for women that wins FDA approval to treat a new disease: Female Sexual Dysfunction (FSD). Liz gains permission to film the company for her own documentary...”

“Upbeat, engaging, enlightening and provocative...”
