FACILITIES AND STUDENT SERVICES

The Programme strives to continually improve the quality of teaching and support services for students. Curriculum reform is ongoing. In addition, students benefit from:

- A library collection of over 1,000 recently published books from Macmillan, Routledge, CUP, etc. This complements the substantial collection of published and unpublished documents and databases about Vietnam's economy.
- Subscriptions to twelve leading economics journals, including the AEA, The Economic Journal, and the Journal of Development Studies.
- A CD-ROM collection, including EconLit, and the VCCI and VIR databases.
- The ability to order books and copies of important articles from overseas.
- Access to the Internet and e-mail.
- A computer lab room with 15 workstations linked to a powerful server.
- An airconditioned student reading room.
- Programme support staff: Librarian, Secretary, Computer Expert, Administrator.
- The assistance of Dr. Adam McCarty, a Lecturer from the Institute of Social Studies, the Hague, funded under the Dutch support project.
